sampleTRAX S Analytical Station

Status Indicator Light

Alerts user to system problems
(leaks, empty reagents, etc...)

**Integrated Computer
Monitor with Swivel Arm**

-Convenient, protected location
 for instrument computer
-Touch screen

Storage Drawers

Fluorocapper

**High Purity PFA
Reservoirs**

With integrated level sensors

Wheels

Allows for flexible positioning

**Ultra-clean Enclosure
Exhausted with Air Shower**

With exhaust vents and inert-gas air shower

ICP or ICPMS

sampleTRAX SF Autosampler

With barcode scanning and PFA probe
and Fluoronetics rail

ICP or ICPMS

**Inert, Acid-Resistant
HDPE Countertop**

Elemental
Scientific

**Integrated
prepFAST S System**

With ultra high purity syringes and valves

Storage Areas

**Vacuum Pump
Storage Chamber**

With pull out drawer for easy access

Leak Sensors

Detects leaks and alerts user
